

## Frederic Man Sentenced On Sex Crime Charge

Joseph Lynn St. John, 19, Frederic, was sentenced Tuesday to 7½ to 15 years in a state penitentiary by Circuit Judge William A. Porter on charges of second degree criminal sexual assault.

St. John pled guilty (but mentally ill) to the charge December 1, 1980 and Porter additionally recommended that he receive intensive psychotherapy at least once a week during the first four years he is serving the sentence.

St. John was arrested following an investigation led by County Deputy Art Clough after assaulting a Frederic resident March 29, 1980.

Other Circuit Court dispositions:

Kevin James Haberland, 19, Grayling, pled guilty to attempted larceny from a building and was sentenced to 24 months probation or six months in jail.

William Scott Arends, 20, Ravenna, MI., was sentenced to one year in county jail for attempted larceny over \$100. Credit was given for time already served.

## Nine File For School Board Posts

Nine candidates have filed nominating petitions in a race for two Crawford-AuSable School Board posts for next year. They include: Roger A. Mosher, 504 Ionia; Michael J. McNamara, 201 Fulton; Seeley G. Wakeley, 1207 Little John Ave.; William E. Morford, 505 Lake St.; Sherry M. Hanson, 3000 Portage Ave. The list also includes incumbents William D. Sloan, 1790 Danish Landing Road and Mickey L. Perez, 2831 S. Grayling Ave., plus Doris O. Birtcher, 205 Island Park and Thomas H. Schans, 60 Beauty Drive.

The election to fill the two posts will be held on Monday, June 8, 1981.

## Beautification Group Needs \$\$\$ Help

The Grayling Beautification Committee is seeking funds to continue projects aimed at making the area more attractive to live and for tourists to visit.

The committee is responsible for the placing of flower and tree planters through the downtown area and installation of Welcome to Grayling signs at entrances to the city. Both have brought complimentary remarks from visitors to the area.

## High Winds Knock Out Power, Cause Fires

High winds buffeted the area last weekend, toppling power lines that caused three of five fires that called out Grayling and DNR firefighters on Saturday.

Power was out in parts of the city including Mercy Hospital from 11 a.m. to 4 p.m. and for 1½ hours in most of the city while workmen made necessary repairs.

Sheriff's deputies responded to 66 complaints registered last week and an additional 12 complaints were handled by the Animal Control Officer.

According to Sheriff Joe White, eight breaking and enterings were reported, including a residence on Danish Landing Road owned by Charles Miller of Southgate and a Recreation Club on See High Winds on page 16)

## Downtown Merchants May Reorganize

The Grayling Downtown Merchants Association may become a viable force again if reorganization efforts by a newly-formed business group are successful.

Reacting to recommendations by the Economic Strategy Committee, over 20 downtown merchants met last Thursday morning to discuss ideas to reactivate the associate which disbanded over a year ago. Ernie Dawson of Flowers by Josie chaired the meeting.

The general consensus of opinion Thursday was in favor of reviving the association, so long as it was equipped with mutual cooperation and realistic goals to enhance the business activity in the downtown area.

Walt Nowak and Duane Swift reviewed the strategy committee report, which contains specific recommendations for the downtown area in concert with overall efforts to stimulate economic recovery in Crawford County.

Merchants plan a second meeting at a future time when additional input can be received from businesses unable to attend last week.

## Women's Softball League to Organize

There will be an organizational meeting of the Grayling Women's Softball League on Tuesday, April 14th at 7 p.m. at the high school. Teams from last year need only send the captain and a representative.

Any newly organized teams or women who wish to play but are not affiliated with a team should also attend.

Topics for the meeting include by-laws, board nominations, field preparations and scheduling.

If you need any further information call me, April Andrus at 348-5196.

## Notice To All Dial-A-Ride Patrons

All items left on our buses will be put in our LOST and FOUND Department at our Maintenance Garage, located on M-72 East.

These may be claimed by seeing Dale (Bill) Worden at the garage between the hours of 7 a.m. and 4 p.m., Monday thru Friday.

## United Way Deadline April 30

Community-service organizations interested in being considered by the Crawford County United Way, Inc. as participating agencies have until Thursday, April 30, 1981 to file formal application forms.

Application paperwork is now available at the Grayling Regional Chamber of Commerce office.

The United Way Board will meet on May 1, 1981 to establish agency criteria and set a date for this year's county fund drive.

## Tickets on Sale Friday!

## Grayling Players To Perform Cole Porter Musical

On Friday, April 10 tickets for the annual spring Broadway musical production by the Grayling High School Players will go on sale at the Grayling Pharmacy. This year's production, the 1934 Cole Porter hit "Anything Goes" will be presented in the Grayling High School Auditorium on May 7, 8 and 9, 1981. Curtain time has been set at 8:15 and all seats are \$2.50. All seats for the three performances are reserved. Mail orders for tickets are presently being accepted at the Community School Office. Persons wishing to order their tickets by mail should indicate their choice of performance and include a check made payable to Crawford AuSable Schools.

## Grayling High Alphabet Includes CPR

by Joe Schrader

Grayling and Crawford County will have another 200 residents specially trained in life saving techniques, thanks to Grayling High School's participation in a unique curriculum known as Life Role Competency.

Seven classes in a year-long Health Course are now in the midst of learning coronary pulmonary resuscitation (CPR), an American Red Cross-sponsored program currently involving 200 high school students.

Instructors include health teachers, Fred Wolcott, Mike Wieland, Warren "Butch" Hayes and Marilee Cheney, who all had to undergo rigid training themselves to qualify as CPR instructors. Their training included basic CPR, advanced first aid, special training at Mercy Hospital and a Life Support Instructor's Course completed on weekends.

Last year the school "graduated" its first group of about 200 CPR students through the health classes.

"We spend about 2-3 weeks teaching coronary pulmonary resuscitation," said Fred Wolcott, who indicated the students are given an extra week of instruction, "to be certain they can do it well!"

The students use three mannequins the high school owns to practice CPR methods, and the

## Last Meeting

The last meeting of the George Mason Chapter's winter fly fishing series will be held Tuesday, April 14th at 7:30 p.m. at the Shoppenagons Hotel. Mike Wieland will be presenting a slide show and talk on the AuSable River Boat.

## Open House

In honor of the Silver Wedding Anniversary of Peter W. Stephan and Gloria Ann Millikin Stephan, their family and friends invite you to an Open House being held on Saturday, April 11, 1981, between the hours of 2 p.m. and 5 p.m. at the Masonic Temple on Michigan Avenue.

American Red Cross provides an additional three so that six are available for classroom use.

Wolcott said the students receive classroom principles on life saving in conjunction with their work on the specially equipped mannequins during the CPR health segment. "We want to make sure they know why these techniques work," Wolcott emphasized. The Health Course was expanded from 1 semester to a year long course to include CPR training, which aims at teaching the following principles and methods:

- Determining consciousness.
- Mouth-to-mouth resuscitation.

## Regional Cancer Society Kickoff Luncheon

Joan Olsen, Vice Chairman of the Crawford County unit, Marie Ellingboe, Crawford County Crusade chairman, Marilyn Fick, Memorials Chairman, and Nancy Kortess, Public Information Volunteer, attended the Traverse City Regional Kickoff luncheon of the American Cancer Society at the Traverse City Holiday Inn on Friday, April 3rd.

Over 100 volunteers were present to hear the aims and objectives of the 1981 Cancer Crusade. "You are the Key to Open Doors", this year's theme, was the subject of speaker Dr. James Woodburne of the Grand Traverse County Unit. Dr. Woodburne stated that "we are in business to go out of business". He stressed research and a winning attitude to defeat cancer.

During the week of April 20-24th, special features concerning the fight against cancer will run each morning on the Northern Michigan Morning program at 8 a.m. on Channel 9/10.

The Crawford County Unit of the American Cancer Society conducts its campaign in the month of May. The local kickoff luncheon will be held on Thursday, April 30th at 12 Noon at the Chief Shoppenagons Hotel.

- Locating the Carotid (neck) pulse.
- Mouth-to-nose resuscitation.
- Mouth-to-stoma resuscitation.
- Full, one person CPR.
- Two-person CPR.
- Mouth-to-mouth CPR for babies.
- Modified techniques for smaller children.
- Procedural steps for choking victims.

Wolcott said extensive testing is given CPR students, who receive a certificate of completion after the training is over. A refresher course is required in one year, Wolcott added.

For the first time this year, Health classes will continue CPR instruction with the standard American Red Cross First Aid Training Course, which will encompass six weeks or another 30 hours of additional emergency training. Certificates of completion will be issued for first aid training as well.

Wolcott said Grayling High School is somewhat of a pioneer in offering students CPR. See Alphabet on page 2

## I-75 Repaving Project Begins April 20

by Joe Schrader

Preliminary work will begin April 20 to prepare the I-75 business loop through Grayling for resurfacing, a \$217,000 project which should be completed by July 4th.

According to the Michigan Department of Transportation, the much-needed work will also include sewer work planned by the city near the bridge.

No detouring of traffic is anticipated while the work is being done and almost-normal traffic patterns should persist on weekends.

DOT Project Engineer Bill

Hoffweber and Construction Supt. Nick Matasch were in Grayling last week to dispel concern that downtown business activity might be interrupted by the paving project. Work will only take place week-days and even then two-way traffic will be maintained, Hoffweber said. The actual paving itself will only take a few days and the work beginning April 20 is preliminary to prepare the heavily-traveled business loop for the bituminous concrete surface that is applied later.

This will include surface preparation, curb and gutter work,

raising of manhole covers and the installation of storm sewers across the business loop by the city near the bridge.

When paving itself begins, business entrances along the loop will only be closed off for up to six hours maximum, depending on weather conditions. "Entrances will only be closed for a matter of hours on two separate days," Hoffweber predicted.

The Grayling City Hall will serve as an information center to keep businesses informed as the resurfacing activities progress.

## HUD Grant Helps

## City Planning Street Construction

by Joe Schrader

Engineering work is currently underway for street construction in Grayling this summer, although the exact scope of this year's plan cannot be determined until after cost estimates are finally in.

According to City Manager Jerry Morford, 1981 would normally not be picked for street work, but availability of Housing & Urban Development funds allow for some construction this year. Morford said a HUD Community Block Grant of \$200,000 will be used, along with city income tax money and federal revenue sharing funds.

Morford outlined the streets being considered for construction work as follows:

### Segment 1

Charles and Alger streets from business loop to State (2 blocks)

### Segment 2

Peninsular from Ionia to Ingham (1 block); Spruce from Michigan to Ingham (2 blocks); Chestnut from Michigan to Ingham (2 blocks) and Ionia from Peninsular to Maple (3 blocks).

## Pinewood Derby April 15

The time is getting closer for the big Pinewood Derby. Have you gotten your cars all ready for the big race?

Boys we're looking forward in seeing all the different shapes and colors of your models. Dads how about your cars—are you ready?

This will all take place April 15th at 6:30 p.m. in the High School Cafeteria. Set up time will be a 6 o'clock.

There will be 1st, 2nd and 3rd place medals for each Den. Also there will be an overall trophy given to a lucky winner.

Hope to see you all there, and good luck to all!

### Segment 3

Ionia from Maple to Elm (2 blocks); Park from Michigan to Ingham (2 blocks) and Elm from Michigan to Ionia (1 block).

The HUD grant allows only for construction of streets south of Michigan Avenue, Morford said. He noted Ingham is not included for construction work this year because of sewer work planned in that area.

Morford said the city will determine how much work can go this summer after cost figures are submitted, although he guessed that all of the streets included in Segment 2 above would be completed at the very least. Hopefully cost figures

will be low enough to permit completion of all the streets in the city's plan, he said.

The work will include curbs and gutters, storm drains, paving and a limited amount of sanitary sewer work where required.

All city income tax collections are specifically earmarked for complete construction of Grayling streets, and under normal circumstances the work is scheduled every other year. This allows enough income tax money to accumulate for over \$250,000 worth of work, a figure sizable enough to obtain lower unit costs, Morford noted. The available HUD revenue, however, permits the city to proceed with work a year ahead of schedule.

Morford said he expected bidding to be competitive this year because of the state's economic slump, which would likely result in the city getting more work done at a better unit cost. Bids will probably be let in late May.

## Secretaries Luncheon At Holiday Inn

Ragtime vein musical entertainment is in store for many secretaries and their bosses on April 14 when the Annual Secretaries Week is celebrated with a luncheon at the Grayling Holiday Inn.

Forrest Robinson and James J. Smolko from Central Michigan University will share their artistry with a piano ragtime with selections from composers such as Samuel Barber and George Gershwin.

The annual affair at the Inn is planned for 12 Noon in the Evergreen Banquet Rooms. The event has become extremely popular in the area, Innkeeper Hertha Laupmanis explained. She noted that bosses look forward to showing their appreciation to their secretaries for a job well done.

Mrs. Laupmanis said that the guests will enjoy sharing the lighthearted and entertaining break in the middle of the day.

Reservations must be made on or before April 10 and the tickets will be \$5 per person.

## Warning

Weapons firing will be conducted at Camp Grayling during the period 14-18 April 1981.

The Small Arms ranges located west of Lake Margrethe, north of Howe Rd., east of the gas pipeline and south of Portage Creek.

The Range 30 Complex located north of North Down River Rd., east of Jones Lake Rd., south of County Rd 612 and west of Damon Truck Trail.

The Range 40 Complex located north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618 and west of County Rd F97.

The ranges will be closed during the period 14-18 April 1981 and all persons are warned to stay out of the areas identified.

## Technicality Forces School Vote Delay

by Joe Schrader

The vote on a bond proposal to build a new middle school will not be held April 28 as originally scheduled because of an election technicality.

According to County Clerk Leo Lovely, special elections must be authorized by a county-appointed election board which has not yet been formally named. Elections cannot be held until 45 days after board authorization.

Lovely said the Board of Commissioners inadvertently failed to appoint the 4-person election board in January when other committees were being named.

Asst. School Supt. Paul Lerg said the bond proposal election will probably be authorized for June 8, 1981, and may also include a vote on the school's operating millage as well. The election committee will be appointed at the regular meeting of the Board of Commissioners April 14.

Last year's election board was made up of County Clerk Lovely, Beth Wieland, Grayling Twp. Clerk, City Clerk Jerry Morford and school board member Pauline Petrosky.

Meanwhile, school administrators are waiting on developments in Lansing before putting the final operating budget

together. On May 19, 1981, the Michigan electorate will vote on a Governor Milliken-sponsored tax shift proposal that calls for reducing the property tax by up to 50%. Conversely, the proposal also authorizes raising of the state sales tax from 4.0 percent to 5½ percent.

Outcome of the May 19 election may or may not have an influence on the mood of the voters here when considering the outlay for a new school at the polls in June.

The formality of appointing an election board was noticed by a citizen at large who called the oversight to the attention of county officials last week.

# Long Time Coming

Nearly 37 years after his World War II combat injury on Saipan, Navy Gunners Mate Lester French was presented with the Purple Heart decoration. It happened Saturday evening at the Veterans of Foreign Wars building in Roscommon as veterans of at least three conflicts looked on.

French, now 61 and six years retired from the Michigan DNR, received his nation's honor for injury in combat from Rep. Don Albosta, of the Michigan 10th District which includes Roscommon County.

The veteran's wife, Margaret, and two of the couple's three children witnessed the presentation. They were Richard, in uniform of the Coast Guard Reserves who is attending Kirtland Community College, and Lynda Wright, who resides in East Lansing.

Another daughter is Nancy Young who is employed in the business office at Mercy Hospital.

The assembly honoring French was presided over by William Cronk as commander of VFW Post 4159.

French served two hitchhikes in the Navy, enlisting in 1940 and serving aboard the Amphibious Personnel Assault Ship James O'Hara on assault landings on Saipan, Pelau, Leyte and Iwojima. He was injured June 16, 1944, while unloading small boats on the beach at Saipan.

Recounting the following days he said: "I was taken to an aid station and my unit went off without me. All my gear was on the ship. I had no pay vouchers, no clothing other than what I was wearing." His ship doubled as an auxiliary hospital and was engaged in carrying off the

wounded. French said he was hospitalized for a period on Guam. He was discharged in November, 1945. He married after the war.

Two years later he re-enlisted and served until 1952. After the war he went to work for the DNR and spent 29 years there, retiring in 1975 as a fire officer. The Frenches reside at 625 Sunset Dr. in Roscommon. He has been a resident there since 1948. (Photo Courtesy Houghton Lake Resort)

## From Our Corner ...

How about those apples...Ye Ol' Avalanche free throw team came through with flying colors last Thursday night when they defeated teams from WGRY and WQON in a free throw contest at half time of the Detroit Lions and Grayling All-Stars basketball game. The Avalanche team was lead off by Fay Bovee, followed by Joe Schrader and the anchor man Jay Schrader, with all three tossing in three free throws each to win hands down...just goes to show the paper media is on top...we heard a few remarks that they wondered by the ol' fella didn't participate, our only remark is that the team needed a coach, our players proved their capabilities...and we wondered if we could even get the ball to the rim let alone through the hoop...

We ran into an old friend last Friday...Spike MacNeven arrived here for a couple days, so he says...anyway there was quite a bit of reminiscing...Spike hasn't changed a bit...he can still lie with a straight face and one believes him, except me, we lived next to his mother on Ionia Street and learned to believe only half of what he would say...however this is no lie, as we can attest...When Spike owned Spike's Keg O'Nails in the Hi Jinx era in the 1930's and the 40's, Spike was Mr. Chamber of Commerce for Grayling, in our opinion, it was Spike who put Grayling on the map...back then he advertised in Florida that it was only so many miles to Grayling...

It was ironic that we met the day after some of the members of the Detroit football team played an exhibition basketball game against a Grayling squad... Spike not only had representatives of the Lions come up to Grayling, but, baseball players for the Detroit Tigers were in Grayling most of the winter...Birdie Tibbetts, well known catcher for the Tigers spearheaded the players who would come up on certain weekends, and three

It was ironic that we met the day after some of the members of the Detroit football team played an exhibition basketball game against a Grayling squad... Spike not only had representatives of the Lions come up to Grayling, but, baseball players for the Detroit Tigers were in Grayling most of the winter...Birdie Tibbetts, well known catcher for the Tigers spearheaded the players who would come up on certain weekends, and there was also a good representation during the Winter Carnival...there were games promoted back then just like the Lion's game Thursday...

Spike didn't stop at ball players...he had at one time Jack Dempsey, world heavy-weight boxing champion in Grayling for a weekend on the AuSable River...one would have to write a book to take care of all of Spike's endeavors while he was head man at Spike's Keg O'Nails, with his world renowned Prairie Pike that was on display until a fire destroyed the taxidermy art of Sailor Bill... Was good to see you again, Spike...

We didn't attend, but, we understand there was a good crowd out at the Country Club for their opening of the season get-together last Friday evening... Won't be long the bride will be out there in full swing, and we will become a summer golf widower...

To any of our readers who may wish to contribute to the Beautification Committee in order for them to plant flowers, etc., in the city would be very welcome...a spokesman for the committee told us they are without funds and need help...contributions may be sent to the Beautification Committee, in care of the Grayling Regional Chamber of Commerce, Grayling, MI. 49738.

Have you ever been in an Irishman's Shanty where orange pop and food was a plenty?...well this ol' Dane and bride along with Arnie and Bernie Mauren, and Hookielau and Nancy partook in a brunch last Sunday at the Leprechaun's Shanty...we never knew he got close to a kitchen until we watched him show off in front of us that made our bride ask how come you don't do this on Sunday morning? To tell the truth, the only thing we like about a kitchen is the food that comes out of it without our help...

We have to say hi to T. J. and Stef before we close this turkey for this week...haven't seen our T.C. family for quite a while...but then Easter is coming up soon, and we will get together...have a nice weekend...it is getting so we will be able to think summer...

## The Bible Speaks

From Calvary Baptist Church

### Religious Right Wing Split

Some of you may have read the New York Times article by Kenneth A. Briggs entitled, "Rift Widens in Religious Right Wing." The article was carried in the March 31, 1981 issue of the Detroit Free Press, Section B, page 1. Briggs reported that the Rev. Billy Graham has dissociated himself from the fundamentalist political movement and has spoken against Moral Majority positions. The Rev. Jerry Falwell is leader of the Moral Majority.

It bothered me when Billy Graham said he wouldn't criticize political systems because he believed God had called him to minister to all the people of the world. He refused to say anything against Communism in his crusades in Communist countries. It bothered me more when he criticized America's Wall Street as a gambling center. It bothers me again when he publicly criticizes leaders in America because of their faith.

The Moral Majority is not a religious movement. The Moral Majority is supported by even non-Christians who wish our country to return to the moral and ethical standards upon which it was founded. Since our moral and ethical standards came from the Bible, those men who best know and understand the Bible seem to be more qualified and respected as leadership in the movement. If you are opposed to murder, stealing, lying, adultery, Communism, Socialism, Humanism and you love respect of life, property, truth, the family, patriotism and all your constitutional rights, you should feel a friendship toward the Moral Majority.

Jerry Falwell is to me one of the greatest Americans of the 20th century. As an American citizen I have the upmost respect and admiration for him. Now I do not always agree with him as a leader in his regular vocation. I don't like the way he raises money on television, but then that may be my personal hangup.

The heart of the division in all religious circles is belief or unbelief of the Bible. Briggs started out his article as such: "When I first arrived in college," said Jim Neenham, a Florida State University senior, "I was a fundamentalist. I've changed a lot since then." Briggs went on to say: "Needham, who wants to be a missionary, says he no longer feels required to defend everything in the Bible as literal truth. 'At first, I almost cried after every New Testament class,' he said, 'if something like the virgin birth was questioned, I'd think, well, if that's not true does that mean the whole Bible is not true?'"

My friend, let no religious leader or hypocrite destroy your faith. Any man who cannot hold up his Bible and say this is the inerrant, infallible, inspired, authoritative Word of the true and living God is a religious deceiver. Without God-revealed truth, we have no basis for faith. (adv.)

## Long Time Coming

Nearly 37 years after his World War II combat injury on Saipan, Navy Gunners Mate Lester French was presented with the Purple Heart decoration. It happened Saturday evening at the Veterans of Foreign Wars building in Roscommon as veterans of at least three conflicts looked on.

French, now 61 and six years retired from the Michigan DNR, received his nation's honor for injury in combat from Rep. Don Albosta, of the Michigan 10th District, which includes Roscommon County.

The veteran's wife, Margaret, and two of the couple's three children witnessed the presentation. They were Richard, in uniform of the Coast Guard Reserves who is attending Kirtland Community College, and Lynda Wright, who resides in East Lansing.

Another daughter is Nancy Young who is employed in the business office at Mercy Hospital.

The assembly honoring French was presided over by William Cronk as commander of VFW Post 4159.

French served two hitches in the Navy, enlisting in 1940 and serving aboard the Amphibious Personnel Assault Ship James O'Hara on assault landings on Saipan, Pelau, Leyte and Iwojima. He was injured June 16, 1944, while unloading small boats on the beach at Saipan.

Recounting the following days he said: "I was taken to an aid station and my unit went off without me. All my gear was on the ship. I had no pay vouchers, no clothing other than what I was wearing." His ship doubled as an auxiliary hospital and was engaged in carrying off the

wounded. French said he was hospitalized for a period on Guam. He was discharged in November, 1945. He married after the war.

Two years later he re-enlisted and served until 1952. After the war he went to work for the DNR and spent 29 years there, retiring in 1975 as a fire officer. The Frenches reside at 625 Sunset Dr. in Roscommon. He has been a resident there since 1948. (Photo Courtesy Houghton Lake Itesorter)

### Correction

The Avalanche wishes to make a correction in the Walther-Barker engagement announcement. The bridegroom-to-be should have read Keith Allen Barker. We apologize for any inconvenience this may have caused.

### County Library

The Crawford County Library has recently placed the following memorial books on the shelves; from Cornell's "Everybody's Guide to Tax Shelters" for Helen Collins; "Positive Parenting" for Helen Charboneau; "Painting China and Porcelain" for Mrs. George Blaha Sr.; "The Majestic Mountains" for James Champion; "Incredible Incas" for Peggy Keillor; "America's Majestic Canyons" for Bernard Hinkle; and "Guideposts Treasury of Love" for Dora White.

Larry and Maureen McNamara donated several books in memory of friends; "The Complete Encyclopedia of Chinese Cooking" for Mrs. George Blaha Sr.; "One Hundred Currier and Ives Favorites" for Hazel Dunckley; "Handwriting Analysis" for Tom Robertson; "Complete Book of Pleasure Boat Engines" for Raymond Slusser; "Ghost Ships of the Great Lakes" for Scott McEvers; "Swanson on Swanson" for Mary Wakeley and "Magnificent West-Grand Canyon" for Marjorie Redman.

John and Barbara Sojka gave "Ten Men in History" in memory of Clyde Borchers and "The Cliff" for Mary Wakeley. Another memorial book presented was "Wilderness U.S.A." from Paul Thomson for James Duley.

Lois Ford gave four volumes "Footprints" by Brooke Astor, "Shelly" by Shelly Winters, "Aristotle Onassis", "What's My Line" by Fates and "A Star is a Star, the Lives and Loves of Susan Hayward" by Anderson.

Please note: The library will be closed Good Friday, April 17th. The Children's Library will be closed for 3 weeks in May, from May 4 to May 25 due to remodeling.

**OPEN MONOGRAM SHOPPE**—Betty Cross is shown stitching a monogram on a towel at her new business located at the Wagon Wheel Cleaning Center.

Betty's Monogram Shoppe opened recently to offer the personalized lettering service, a business unique to the area. Using a specially-made sewing machine, custom lettering can be stitched on any kinds of material, good for graduation, Mother's Day, weddings, Christmas or all occasions gift ideas.

Lettering is available now in 14 different styles, a wide selection of colors, and sizes from very small up to 5 inch letters. The monogramming service complements the laundry and dry cleaning also offered at the Wagon Wheel Cleaning Center, and opened March 1. (Joe Schrader photo)

### Bits O'Talk

by Fay Bovee

Mr. and Mrs. Harry Souders are home again after the winter in Gulf Shores, Alabama. During the winter many of their family visited them. From Tampa, Florida were their daughter and husband, Mr. and Mrs. Robert Knutilla; from Gainesville, Fla., granddaughter, Susan, and student at the U. of Florida; from Seabrook, Tex., their son and family, Mr. and Mrs. Richard Souders; and from Redstone Arsenal, Ala., where he was stationed, enroute to Germany, their grandson, Tom Knutilla, visited them.

Mr. and Mrs. Herbert Stephan spent last week in the southern part of the state. In Lansing, they visited their granddaughter and family, Mr. and Mrs. Frank Cook, Eddie and Amy. In Adrian, they visited her sisters and husbands, Mr. and Mrs. Lee Longstreet and Mr. and Mrs. Earl Connin. Both men had been in ill health and were hospitalized during the winter.

ECW Thrift Shop...Summer hours...Friday and Saturday from 11 a.m. to 4 p.m.

Mr. and Mrs. Pete Stephan drove to Metro Airport in Detroit on Friday evening in order to meet an early Saturday morning flight on which their daughter, Mrs. Diane Addison and son, Matthew, arrived from Groton, Conn. They are here to spend two weeks and to attend the Silver Wedding Anniversary party of her parents.

Al and Cappy Westervelt have arrived from Florida to spend some time visiting in Grayling.

Steve Church left for California last week where he has accepted employment with Rocketdyne in the Los Angeles area. He had spent the previous week in Grayling visiting his parents after graduating from MSU with his master's degree.

### CARD OF THANKS

I would like to thank everyone who remembered me in their thoughts, prayers and the many cards and flowers that I received while I was in the hospital.

I am now home and convalescing nicely.

Again I thank all of you.

Thoughtfully,  
Joyce Bourrie

How about those apples...Ye Ol' Avalanche free throw team came through with flying colors last Thursday night when they defeated teams from WGRY and WQON in a free throw contest at half time of the Detroit Lions and Grayling All-Stars basketball game. The Avalanche team was lead off by Fay Bovee, followed by Joe Schrader and the anchor man Jay Schrader, with all three tossing in three free throws each to win hands down...just goes to show the paper media is on top...we heard a few remarks that they wondered by the ol' fella didn't participate, our only remark is that the team needed a coach, our players proved their capabilities...and we wondered if we could even get the ball to the rim let alone through the hoop...

We ran into an old friend last Friday...Spike MacNeven arrived here for a couple days, so he says...anyway there was quite a bit of reminiscing...Spike hasn't changed a bit...he can still lie with a straight face and one believes him, except me, we lived next to his mother on Ionia Street and learned to believe only half of what he would say...however this is no lie, as we can attest...When Spike owned Spike's Keg O'Nails back in the Hi Jinx era in the 1930's and the 40's, Spike was Mr. Chamber of Commerce for Grayling, in our opinion, it was Spike who put Grayling on the map...back then he advertised in Florida that it was only so many miles to Grayling...

It was ironic that we met the day after some of the members of the Detroit football team played an exhibition basketball game against a Grayling squad...Spike not only had representatives of the Lions come up to Grayling, but, baseball players for the Detroit Tigers were in Grayling most of the winter...Birdie Tibbetts, well known catcher for the Tigers spearheaded the players who would come up on certain weekends, and three

It was ironic that we met the day after some of the members of the Detroit football team played an exhibition basketball game against a Grayling squad...Spike not only had representatives of the Lions come up to Grayling, but, baseball players for the Detroit Tigers were in Grayling most of the winter...Birdie Tibbetts, well known catcher for the Tigers spearheaded the players who would come up on certain weekends, and there was also a good representation during the Winter Carnival...there were games promoted back then just like the Lion's game Thursday...

Spike didn't stop at ball players...he had at one time Jack Dempsey, world heavy-weight boxing champion in Grayling for a weekend on the AuSable River...one would have to write a book to take care of all of Spike's endeavors while he was head man at Spikes's Keg O'Nails, with his world renowned Prairie Pike that was on display until a fire destroyed the taxidermy art of Sailor Bill... Was good to see you again, Spike...

We didn't attend, but, we understand there was a good crowd out at the Country Club for their opening of the season get-together last Friday evening... Won't be long the bride will be out there in full swing, and we will become a summer golf widower...

To any of our readers who may wish to contribute to the Beautification Committee in order for them to plant flowers, etc., in the city would be very welcome...a spokesman for the committee told us they are without funds and need help...contributions may be sent to the Beautification Committee, in care of the Grayling Regional Chamber of Commerce, Grayling, MI. 49738.

Have you ever been in an Irishman's Shanty where orange pop and food was a plenty?...well this ol' Dane and bride along with Arnie and Bernie Mauren, and Hookielau and Nancy partook in a brunch last Sunday at the Leprechaun's Shanty...we never knew he got close to a kitchen until we watched him show off in front of us that made our bride ask how come you don't do this on Sunday morning? To tell the truth, the only thing we like about a kitchen is the food that comes out of it without our help...

We have to say hi to T. J. and Stef before we close this turkey for this week...haven't seen our T.C. family for quite a while...but then Easter is coming up soon, and we will get together...have a nice weekend...it is getting so we will be able to think summer...

## The Bible Speaks

From Calvary Baptist Church

### Religious Right Wing Split

Some of you may have read the New York Times article by Kenneth A. Briggs entitled, "Rift Widens in Religious Right Wing." The article was carried in the March 31, 1981 issue of the Detroit Free Press, Section B, page 1. Briggs reported that the Rev. Billy Graham has dissociated himself from the fundamentalist political movement and has spoken against Moral Majority positions. The Rev. Jerry Falwell is leader of the Moral Majority.

It bothered me when Billy Graham said he wouldn't criticize political systems because he believed God had called him to minister to all the people of the world. He refused to say anything against Communism in his crusades in Communist countries. It bothered me more when he criticized America's Wall Street as a gambling center. It bothers me again when he publicly criticizes leaders in America because of their faith.

The Moral Majority is not a religious movement. The Moral Majority is supported by even non-Christians who wish our country to return to the moral and ethical standards upon which it was founded. Since our moral and ethical standards came from the Bible, those men who best know and understand the Bible seem to be more qualified and respected as leadership in the movement. If you are opposed to murder, stealing, lying, adultery, Communism, Socialism, Humanism and you love respect of life, property, truth, the family, patriotism and all your constitutional rights, you should feel a friendship toward the Moral Majority.

Jerry Falwell is to me one of the greatest Americans of the 20th century. As an American citizen I have the upmost respect and admiration for him. Now I do not always agree with him as a leader in his regular vocation. I don't like the way he raises money on television, but then that may be my personal hangup.

The heart of the division in all religious circles is belief or unbelief of the Bible. Briggs started out his article as such: "When I first arrived in college," said Jim Neenham, a Florida State University senior, "I was a fundamentalist. I've changed a lot since then." Briggs went on to say: "Needham, who wants to be a missionary, says he no longer feels required to defend everything in the Bible as literal truth. 'At first, I almost cried after every New Testament class,' he said, 'If something like the virgin birth was questioned, I'd think, well, if that's not true does that mean the whole Bible is not true?'"

My friend, let no religious leader or hypocrite destroy your faith. Any man who cannot hold up his Bible and say this is the inerrant, infallible, inspired, authoritative Word of the true and living God is a religious deceiver. Without God-revealed truth, we have no basis for faith. (adv.)

## House Call: Cancer Detection

Reading so much about cancer-causing agents these days makes us wonder what is cancer-free. Although the exact causes are not yet proven, we do know that cancer is linked to personal habits, environmental factors, and occupational hazards, with personal habits responsible for most of the cancers. Fortunately, we can try to protect ourselves in all three areas.

Don't smoke, because smokers have ten times the risk of getting lung cancer as non-smokers. Watch your diet, and choose low-fat foods while you avoid fried foods, excessive alcohol, and cancer-linked additives such as saccharin in diet foods. Guard against unnecessary radiation, which includes overexposure to direct sunlight, and the inhalation of chemical dusts or fumes. Avoid

heavily polluted air and water, and obey posted signs warning you of the danger.

The earlier cancer is detected, the better are chances for recovery. Women are advised to examine their breasts monthly, and men to examine the testicles. Literature on examination methods is available from your physician and the American Cancer Society, and local health departments. Also crucial to your health are regular professional examinations, which include the pap smear, and pelvic and rectal examinations.

When cancer is detected, it often can be treated successfully with surgery, radiation therapy, chemotherapy, and something still in the experimental stage called immunotherapy.

Survival rates of cancer patients vary, depending upon many factors, including where the cancer is located, and the

personal characteristics that influence a patient's recovery. Statistics show that those with the highest survival rate are patients with cancer of the colon, bladder, breast, prostate, rectum, larynx, skin, bone, soft tissues, thyroid, testes, and Hodgkin's Disease.

We have come a long way in two generations from whispering the word cancer to discussing it openly. We know where the risks lie, the value of early detection, and the success of some treatments. We also know that prevention is the best line of defense against cancer, and prevention in great part is up to you.

CO-OPERATIVE  
EXTENSION  
SERVICE

"Cooperative Extension Service programs are open to all without regard to race, color, national origin or sex."

by Sue Louchart

Hi! I'm Chris Clover here with news from the Crawford County 4-H Clubs.

Spring has finally sprung and 4-H is growing just like the flowers. New clubs are being started and old ones that don't meet in the winter months will be getting going again. With spring here and summer just around the corner start thinking about what clubs you would like to be active in and let the Office know. If you could be a leader of a club or help another leader what kind of clubs would you like to see the young people active in? 4-H is looking forward to another great spring and a fantastic summer for the Crawford County 4-H'ers.

The Cooking Magicians were working their magic again in the kitchen. Making those Kool Kabobs sure sounds like lots of fun to make as well as to eat. We all like food we can eat with our fingers and eating off a skewer would be neat. Another favorite finger food are cookies and the smell of some oatmeal ones was in the kitchen too.

The 4-H Needlecraft Club Fun with Needles and Hooks took advantage of the nice weather to take a field trip down to the Panhandler Shop. The boys and girls saw all the new projects that have come in since their visit at Christmas time. The Club has decided to purchase a latch hook kit with their dues money to be raffled off during Milltown Time in August. The members are all going to work on the project and split the profit to be able to purchase projects of their own to work on. Since all members can not work on the latch hook at the same time, the other members are going to be making baked goods for a bake sale to help buy projects. Achievement Day

Smorgasbord dinner, Wednesday, April 8 at 5 p.m. at the Sportsman Club. All you can eat for \$2.50. Seniors discount. Come out and have dinner with your friends and neighbors.

Senior Citizen Satellite dinner for Frederic and Maple Forest was last Friday, with 28 for dinner. The 50-50 was won by Vi Middleton and fruit basket by Norma Madill. A film was shown. Our nurse Mrs. Henion was away at this time, but she'll be there next month. I was glad to hear I was missed, maybe next time I'll see you, I have a new job now, but still think of all of you and if I can help just call, you may have to try a few times. Good health and have a nice day, your ex-outreach worker, Eva Hulbert.

Sunday School teacher for nursery and junior church, Ruby Alma is very happy for her new room for her class.

Frederic Fire Department reported three ambulance runs last week. And happy to say no fires. Now with the weather warming up and undecided weather at time it is, let's all take all the precautions and be careful. If you have to burn some grass on your property remember the fire department can answer your questions and aid if needed, weather permitting and such, better to ask, than be sorry.

**Homecoming Meeting**  
Homecoming meeting was held last Thursday at the town hall, with election of officers: President, Peggy Robinson; Vice-Pres., Robin Cox; Sec'y, Merna Newberry; Treasurer, Debbie Weaver; Co-signer, Eva Hulbert; Publicity, Eva Hulbert and Trustee, Ken Bindschattel. Next meeting to be at the town hall April 16th at 7:30 p.m. Hoping for a good turn out. Got one foot in the door, we either get both feet in now or close the door.

A celebration of family for a birthday party for Ruby Alma was held last week in her home, attending from Lansing was her daughter Rose Mary and Gayle Bradstreet. A special call from California, her grandson Keith and Cindy Bradstreet and great granddaughter, Jessica. Also a call from Bill Olin. A lovely time was had by all.

From Holland to her parents Pastor and Mrs. Robert Taylor, for a few days was Judy Hulbert and son, Eric, also daughter Janice Becksvort and girls, Heidi, Lynae and Pamela from Hamilton.

Good to have Barbie Howe home from the hospital after her accident, daughter of Ann and Tom Denno.

Don Kangas arrived home after spending since September in the south and west. He flew to Pensacola, Fla., and then drove with his daughter, Rocky, to LaMesa, Cal. to join her husband, Lt. John Harrold, Jr. where they now reside. In March Don went to Hawaii for a ten day trip.

The family of Mrs. Mabel Millikin helped her celebrate her birthday last Friday evening with a family dinner at the Chief Shoppensons. Happy Birthday!

Earl and Jeannine Jensen of Troy spent the weekend visiting her sister and family, the Jim McClains.

Mrs. Mary Jane Knibbs spent the weekend before last in Ann Arbor visiting her daughter and husband, Mike and Nancy Elliott.

Sixteen members of the Jack Trudgeon family were on hand the weekend of March 28 to help Toni Trudgeon of CMU celebrate her birthday. Happy Birthday, Toni!

Mrs. Ruth Funck returned home from Saginaw last Thursday where she had undergone a six hour back surgery. It was a first for St. Mary's when she had an electrical device implanted with titanium wires in order to promote healing.

Jerome and Billie Kessler returned Thursday night after spending four months in Florida. They were there for a month in a rental and then bought a home in Citrus Woods, which they said they enjoyed very much. They came home by way of the Smoky Mountains and Gatlinburg, Tenn.

It was most enjoyable to see Spike McNeven in town again. He spent only a few days here visiting friends and stopped in at the Grayling Country Club for a social hour on Friday afternoon.

Mrs. Jean Gothro has returned from Northville where she spent ten days helping her daughter and family, Bob and Mary Ann Clayton, getting settled in their new home. They have recently moved from Leslie to Northville where he is now employed with the corrections department.

Dear Whitey,  
Although your paper doesn't have a comic section, some of the jokes in the letters to the editor columns lately will suffice. When an issue as emotional as the building of a new middle school comes up, it seems that all of the emotional but often uninformed or unrealistic arguments surface.

The argument that because test scores are low we shouldn't up grade our facilities to meet the demands on them strikes me as a Catch-22 situation. The person presenting this one could also say that if test scores were high we didn't need new facilities because the old ones were doing the job.

Present maintenance budget for the middle school is about 25% of the maintenance budget for this system. This does not support the argument that the building has been let go.

Especially enjoyable are the walk-through experts who claim that for not too much money everything would be fine. Five studies have been done by consulting firms knowledgeable in this sort of thing. The results were:

1975—Wakeley, Kushner—"Site totally inadequate to accommodate a contemporary middle school education program. A remodeling program would forestall replacement until about 1980."

1978—No recommendation either way—Gave cost estimate to correct all illegal, dangerous and otherwise indicated problems. Some new construction necessary with this report."

1980—Bush—"Recommend new building."

1980—Vandermeiden—"Demolish"

1980—Kehoe-U. of M. "Raze the present building. Do not renovate or remodel this building except for temporary usage. Build new middle school."

The facts come from the experts. If you as a voter have reason to vote no, don't do it because of hysteria or uninformed information. Go to the board office, review the facts and then decide. This is a growing community that needs to update its educational system. It has been done in the past, needs to be done now, and will need to be done again in the future. Taxes hurt all of us, but poor educational systems hurt us more.

## Scholarships For Teachers

Partial scholarships will be awarded to teachers in Crawford and Roscommon county's schools to attend the 1981 Higgins Lake Teachers' Environmental School at the Ralph A. MacMullan Conference Center, Higgins Lake.

The week-long environmental enrichment program is not slanted towards Nature Study! University, Department of Natural Resources and Department of Public Health personnel who work with the teachers attempt to give them a sound, thorough background for understanding environmental problems statewide. Classes are held both indoors and out. Field trips are taken to see, firsthand, some of the root causes of environmental problems and management practices discussed in the classroom. Environmental concepts and principles and techniques on teaching are integrated throughout the weeks. There is free time daily for students to pursue their own interests in the library, at the beach or elsewhere. The success of a program of this type depends largely on the voluntary, but nonetheless wholehearted, participation of every teacher in attendance.

May 15th is the deadline for application for a scholarship to attend one of the following:  
Environmental problems of Human Settlements; June 21-26 by University of Michigan and Western Michigan University with Dr. Bill Stapp; Dr. Paul Nowak and Ellen Vandevise.  
Understanding our Environment; July 5-10 by Wayne State University and Eastern Michigan University with Dr. William Thompson and Suzanne Stevens.

Environmental Conservation Concepts and Skills; July 19-24 by Michigan State University with Dr. Robert George and Dr. Ben Peyton.  
Acquiring the Tools and Techniques for Environmental Education; August 9-14 by Central Michigan University with Dr. Douglas Valek.

For more details and/or application for one of these partial scholarships, contact the Crawford-Roscommon Soil Conservation District; 409 Lake Street; P.O. Box 156; Roscommon, Michigan or Telephone 275-5231.

**MOBILE HOME BURNS**—Grayling firemen are shown extinguishing a fire that heavily damaged this unoccupied mobile home near Lake Margrethe Saturday morning.

Cause of the fire, believed to have started outside the trailer, is being investigated by fire officials who are being assisted by a State Police Fire Marshall.

## Campus Day April 11 at Kirtland

On Saturday, April 11, Kirtland Community College will host the 5th Annual Campus Day. Campus Day is a day which offers workshops, lunch, a bookfair, exhibits, and child care. Workshops deal with a variety of subjects which appeal to the interests and needs of participants.

Psychologically oriented topics include Understanding Aging Parents, Death and Dying, Self Awareness, Effective Parenting, Sexuality-You and Your Child's, Sexuality in the Adult Years, and Women as Winners: Transactional Analysis and Assertiveness.

For those interested in hobbies, workshops are available in Needlepoint, Basketweaving, Counted Cross-Stitch, Christmas Greens, Flower Arranging

and Silk Flower Making, Decorating with Color, Antiques, and Spring Yard and Garden Care. Basketweaving will be limited to 10 participants in both the 9:30 to 12:15 session, and in the 1:30 to 3:00 session. Those interested in turning their craft or skill into money may take a workshop on Selling Your Skills.

Sessions dealing with food are entitled Tofu (a low-cost, low calorie protein substitute), Nutritious and Fun Snacks for Children, Natural Foods, and What We Eat Can Determine Who we Are. Two sessions of Jazzercise, a popular body conditioning program, will also be offered.

Area professionals and hobbyists are the resource people for most of the workshops. Roy Spangler, Roscommon County Extension Director, will present You Can Do It: Electrical and Plumbing Repairs. James Demud, Houghton Lake Attorney, will discuss the Legal Status of Women, and another Houghton Lake Attorney, Ron Meiring, will discuss Wills and Estate Planning. Representatives from the Women's Resource Centers at Mid-Michigan Community College and North Central Michigan College will join presenters this year for the first time.

Sponsoring organizations of Campus Day 1981 are the Kirtland Ms. Club, MSU Cooperative Extension Service, Mid-Michigan Writers, Kirtland Garden Club, Homemakers Extension and Homemakers Study Club (Roscommon Area), and the Lovell's Extension Group.

Child Care will be available at Kirtland's Day Care Center, located on College Drive just south of the campus.

For information regarding

the program and fees, call 275-5121, extension 218. Preregistration brochures are available at Kirtland Community College and at many of the local businesses.

Dear Avalanche:

A follow up on Grayling Day at Bradenton, Florida. You would not believe the day, we had rain, wind and cool temperature. We have had the same type of day for three years. Maybe we don't live right??

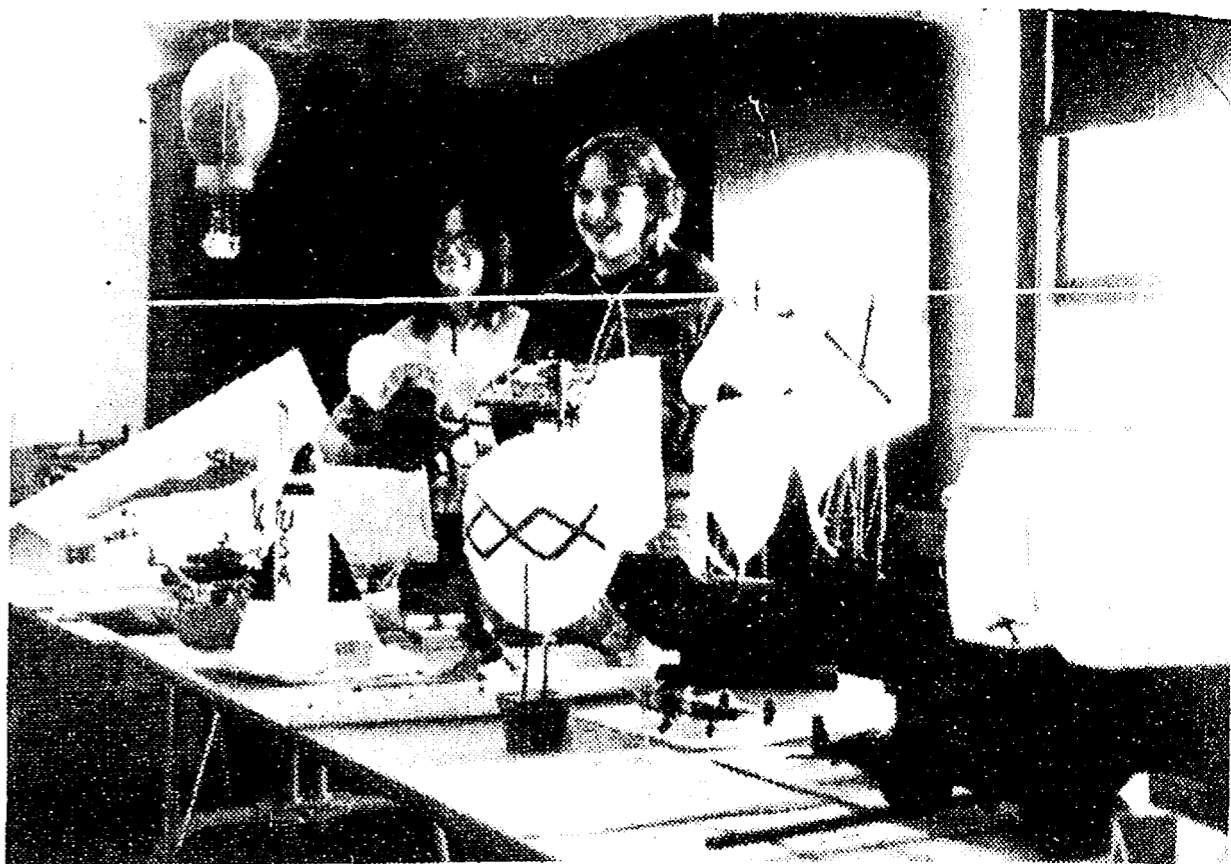

I had many calls from this part of the state planning to attend, but didn't because of weather.

In trying to obtain names, with rain and wind, I have the following, which may not be complete. Sorry if anyone was missed. Some names may have been blown away or be illegible to me because of rain and pen not writing: Mr. and Mrs. Earl Burns, Margerthe Nielson, Olga Nielson, Peg & Lela Davis, Amy Olson & guest Amy L. Jerome, Helen Fisher & guests Lela and Ted Demlow. Also Lois LaGrow & guests Mr. and Mrs. Fred Jones, Joan & Stan Woodman, Mr. & Mrs. Arthur Stephenson and family, Joyce and Jim Bourrie, Fred & Joan Martindale (Roscommon).

Also attending were Mr. and Mrs. Herb Holmes (former Spikes Bar owners), Mr. and Mrs. Dick Hamlin, son Paul and friend David Zigla, Jerry Graham, Mr. and Mrs. Carl Englund, Larry Smith and wife, Mr. and Mrs. M.C. Fox (Foxie).

It was a great day regardless, will try again next year.

Phyllis & Bill Scheer.

**MODES OF TRANSPORTATION**—Middle School 8th Graders Karen York (left) and Darlene Cox are shown here with a display of models depicting transportation methods used around the world.

The creations were part of a 3-month project on the subject of communication and transportation in History, taught by Tom St. Germain.

The display included models of Viking ships, hot air balloons, flatboats, canoes, the Mackinaw Bridge, and an unusual European gondola. (Joe Schrader photo)

### Hear the Band

We sent the pictures in for the band composite this week. This will be a new experience for the band because the band has never had a composite for people to see. This will go up in the band room and we hope to add to it in the future.

The parents that showed up for the parent's booster meeting yesterday are appreciated. The help gives us ideas for improvements in the band. They provided support for the band members.

We are currently working on some new music for our Spring Concert on May 14th. Such music as "Seals & Croft's" and "The Wiz", are in the process of becoming solid music for us.

Hope to see you there!

### Senior Citizen Homemaker Service

Spring has finally "sprung", I saw my first Robin yesterday morning. It seems so nice to hear them singing their beautiful song again.

I haven't written an article for the Avalanche recently, because I have been hospitalized for several weeks. Regardless our program is still surviving. We are presently serving about 37 handicapped Senior Citizens. We have 4,304 Homemaker Service hours since this program began about 18 months ago.

While I was in the hospital these past weeks, I discovered two lovely ladies who will be in serious need of some Homemaker Services, before they can return to their homes. But they live in Roscommon & Higgins Lake & as far as they know there is no homemaker service in their areas. Aren't we lucky that we live in Crawford County.

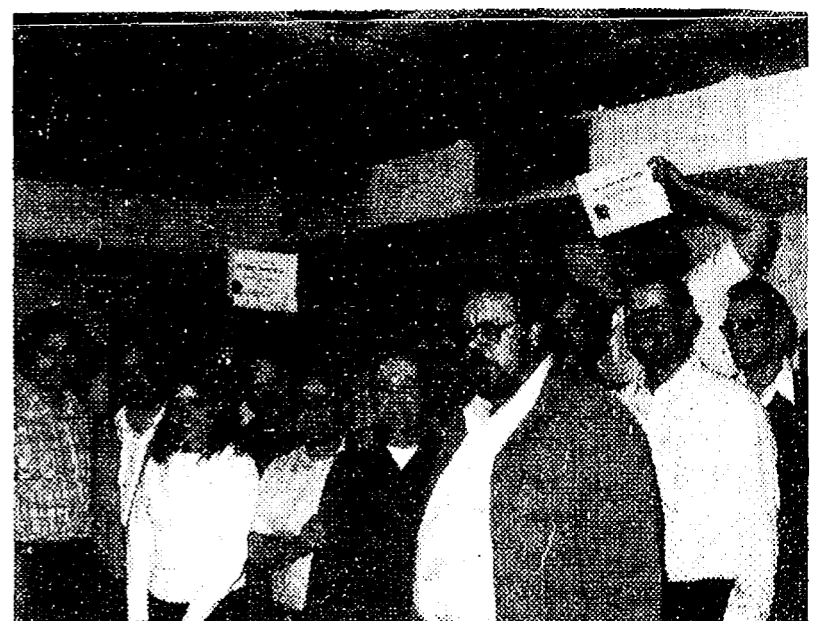

The Homemaker Programs goals are to service all of the homebound and handicapped citizens of Crawford County. Goals are also to provide an Alternative to institutional care (Nursing Home or Foster Care; to allow for shorter hospital stays or to stay home in the event of illness or accident; to reduce isolation; to encourage family care whenever possible; and to provide a link with other Community Services to better enable the client to maintain independence.

The Homemaker Service is defined as assistance in performing routine household activities to maintain an adequate living environment for the individual homemaker tasks include light housekeeping, meal preparation and laundry services, grocery shopping and occasional transportation to medical appointments. Program emphasis though, is placed on housekeeping and transportation services should be kept to a minimum. One hour is equal to one unit of Homemaker Service.

Homemaker Services are available to Crawford County Residents 60 years of age or older who are handicapped. Handicapped is defined as the inability to perform daily household tasks. There are no income requirements for this service, however we do expect donations if you can afford to pay. This allows us to do more services for more people. We also have a government fee scale for your guidance.

If you need our services or know of anyone that does, please call the Senior Citizen Center at (348-9314). Better yet stop in and see us, we would love to meet you.

Joyce Hankins  
Homemaker Coordinator

**ATTEND FIRE FIGHTING COURSE**—The enclosed photo is of some of the 25 members of the Frederic, Waters, and Grayling Fire Departments, that finished the 66 hour course of Basic Fire Fighting, required by the State of Michigan.

The course is part of the training set by Michigan Fire Fighter Training Council, the instructor, Mr. Dean Welch, taught the Volunteers of the three Departments two nights each week for the past six months, so they could finish in a shorter time.

The coordinator, Mr. Blackmeir, put the Town School in schedule last fall starting in November and with a short time off for the holiday season it finished in mid February.

We wish to start the next section of training this Fall if the State has enough funds and Mr. Welch is agreeable.

### Civil Service Pay Raise Let Stand During Budget Crisis

Warren M. Hoyt, Executive Director, MPA

A Senate committee refused to take action on a concurrent resolution that would have cut in half the scheduled 9 percent civil service pay raise.

The state's nearly 60,000 civil servant workers will receive the pay increase along with an improved fringe benefit package with the beginning of the new fiscal year on October 1.

Both houses of the Legislature, under the state constitution, had to reject or amend the pay proposal by March 27 or it would automatically take effect on the designated date.

The resolution had been offered by Senate Appropriations Committee vice-chairman Bill Huffman (D-Madison Heights) as a means of saving the state's general fund over \$42 million.

Senator Edward Pierce (D-Ann Arbor), a member of the Senate Administration and Rules Committee, which took no action on the measure, expressed displeasure over the base salaries of Michigan governmental employees.

Pierce cited a civil service survey which indicated Michigan state employees were paid, in nearly every category, between 20 and 40 percent more than those in corresponding positions in private business and governments of other states and the federal government.

Committee Chairman William Faust (D-Westland) said he believed the 9 percent across the board pay increase for civil service employees simply builds in inequities. He added, however, that he didn't see any way in the current system to adjust for those inequities.

Stan Kravit, director of the Office of the State Employer, repeated the administration's support for the pay increase. He said the pay increase and the fringe benefit package were reasonable efforts to maintain the current standard of living.

Kravit added state employees have already participated in the state's econo-

mic problems with voluntary days off and the one-day mandatory layoff program.

The 9 percent pay increase and the fringe benefit package was the results of the state's first collective bargaining agreements with the Michigan State Employees Association and other labor unions representing certain categories of state employees.

One ironic twist to the legislative proceeding considering rejecting a portion of the civil service pay package was the fact the Legislature had ignored similar resolutions that would have rejected or reduced a 14 percent pay increase, effective January 1, 1982, for legislators, the governor, lieutenant governor and justices of the state Supreme Court.

**Interstate Compact On Emergencies**  
The Legislature is working on legislation—already approved by the Senate—to expand the interstate civil defense compact from the current purpose of only responding to emergencies caused by enemy attacks.

Since Michigan borders haven't been attacked lately, the new compact would allow the state to make agreements with neighboring states for general disaster planning and emergency response to potentially dangerous incidents, such as accidents at nuclear plants.

Other "disasters" could include contamination, major transportation accidents, epidemics and hazardous radiological incidents.

The new compact would apply to situations endangering the public health or safety that can be counteracted only with the use of special equipment, trained personnel or more personnel than are locally available.

The compact would also allow for combined searches for and rescue of persons lost, marooned or otherwise in danger.

The House is expected to act on the legislation quickly.

**JUMP ROPE FOR HEART**—A total of \$1,518.54 was raised by students at the Middle School during their Jump Rope for Heart held earlier this month.

Members of the winning team which raised \$220.40 include, Piper Ostrowski, Carrie Stephan, Tina Meldrum, Yvonne Moshier, Kathy Allen and Jenny McEvers (missing).

This was the first year the school conducted the event as a community service project which was developed by the Michigan Association for Health, Physical Education and Recreation to promote the importance of physical education.

"Everyone had a great time and we are already making plans for the Third Annual Jump Rope for Heart," said Mrs. Doty.

Proceeds from the event will benefit the Michigan Heart Association in its effort to combat heart and blood vessel diseases.

#### Wins Trip

#### To Acapulco

Bobbe Morley, owner of Decorating Den, recently returned from a five day trip to Acapulco, Mexico. She, and 67 other of the Decorating Den "family" enjoyed expense-paid vacations through a trip-incentive program negotiated by the home office with the various Decorating Den suppliers.

Although the average temperature in March is 87°, Bobbe says "it didn't seem too hot. It was just beautiful." We enjoyed first class everything; from our rooms at the Hyatt Continental, the delicious Mexican buffets, cocktail parties and side trips provided for us. Shopping in the flea market was fun, but you really have to watch your pesos! We were able to watch the cliff divers and go parachute sailing. "That's when they hook you up to a speedboat in front and a parachute in back and away you go! We also enjoyed a spectacular show and dinner at the Acapulco Cultural Center."

Among the special guests on the trip was Evan Francis, editor of "1001 Decorating Ideas", who is a great fan of the Decorating Den concept. There will be an eight-page feature article on Decorating Den in the May issue of "1001".

### Grayling Elementary School News

Mrs. Smith's third grade class had a hamster named "Tiny Tim". He was a lot of fun. When he died the class felt very badly. Mrs. Boone went to Saginaw and bought a new hamster for the class. The class named her "Blondie." They think she is going to have babies.

The class has also completed their science projects. Some of the boys in the class made very good electrical hook-eyes using batteries. They are now studying all about birds. In other classes they are reviewing for their tests.

## BPW Name Young Careerist

The Grayling Business and Professional Women recently selected 22 year old Miss Ilene Geiss as Young Careerist of the Year.

Miss Geiss is assistant manager at McDonald's of Grayling Inc. and has been with the restaurant since it opened in June of 1976. She began her career as a "crew person", filling the many tasks of serving customers.

Subsequent to her employment, she has attended training sessions sponsored by the national chain. In the fall she will attend the McDonald's International School in Elk Grove, Ill. She is the only female member of four in the Grayling establishment.

Miss Geiss, after her nomination said, "Of course some day I hope to manage my own store but for now it is fun to meet and serve the public in Grayling".

## Like to Run

Like to Run? Want to meet others that like to run, too? Want to be part of a running club?

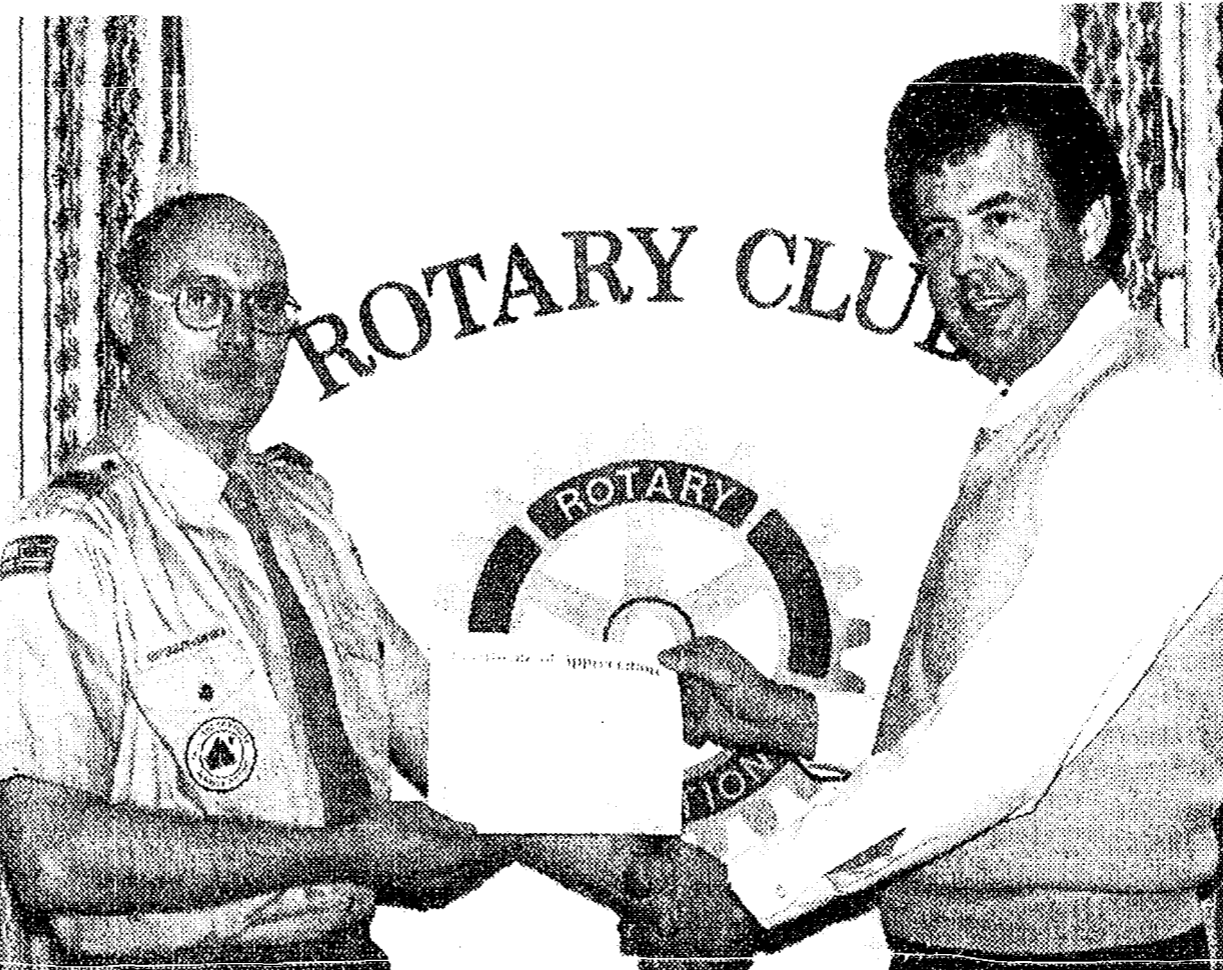

There will be a meeting on Wed., April 15th, in Room 22 of the Grayling High School for any persons interested in forming a running club. The time of the meeting will be from 7 to 8 p.m.

If you like running and want to be a part, meet us there.

For more information contact Mike Smith at 348-8037.

## Identified for Promotion

William C. Bye, son of Mr. and Mrs. William E. Bye of Frederic, has been specially identified for early promotion to senior airman in the U.S. Air Force.

The airman was awarded the new rating ahead of other Air Force members by a "below-the-zone" promotion board which considered job performance, military knowledge, bearing and self-improvement efforts.

Bye is an inventory management specialist at Whiteman Air Force Base, Mo.

## District Court

The following persons appeared before Judge Francis L. Walsh in 83rd District Court last week:

Robert Norman LaChappelle, Jr., 33, Grayling, demanded preliminary examination on a felonious assault charge. The 12-day period was waived and a \$2,000 personal bond was set.

Richard Rodgers, 52, Livonia, pled guilty to a charge of impaired driving and was fined \$250 or 14 days in jail.

Christopher William Martel, 19, Utica, pled guilty to a charge of impaired driving and was fined \$250 or 14 days in jail.

Delbert Lee Morgan, Jr., 48, Monroe, pled guilty to an impaired driving charge and was fined \$250 or 14 days in jail.

Lester Jack Gugin, 42, Roscommon, pled guilty to a DUII charge and was fined \$200 or 14 days in jail, plus suspension of his license for 90 days.

Kenneth Dewayne Cutchall, 45, Grayling, pled guilty to a DUII charge and was fined \$300 or 14 days in jail. His driver's license was suspended for 90 days except for driving to and from and during the course of employment.

Cathy Czuba, 20, Roscommon, pled guilty to an assault and battery charge and was fined \$85 or 10 days in jail.

Tami Welch, 19, Grayling, demanded preliminary examination on a charge of attempting to assist in an escape from jail. The 12-day period was waived and a \$5,000 personal bond was set.

James Herbert Remer, 57, Grayling, pled guilty to a charge of being a disorderly person by intoxication in a public place and creating a disturbance. He was sentenced to seven days in jail.

A charge against Dale Burpee, 37, Grayling, for malicious destruction of a dog was dismissed on a motion from the Prosecutor's Office.

## Parents Helping Their Children

Peter Ingvarsson

Last week I talked about one way to use television to improve children's observation. This week I'll build on that idea to talk about sharpening children's memories using television.

Television is probably the one thing that almost every home has. Every group of students I've ever worked with has always had access to a TV set. As a result it is often said that television is bad for kids.

It is possible to turn that around and use television to help sharpen children's memories. It is very important for children to be able to use their memory. Everyday in school children need to make observations and bring that information back to mind for an assignment or a test.

Let's look at a way of using television to help a child learn how to organize his memory. Before the news starts, tell your child that after the news you will ask him to tell you about the stories on the news. After the news is over your questions might go like this: What was one story you remember from the news? They talked about Poland. What did they say about it? They have lots of problems. What kind of problems? People don't have enough food. What did you see? They showed a film of people standing in line waiting to buy food. What did you hear? The reporter said that people were upset and may go on strike. Do you remember anything else about the story? Poland is a Communist country.

As you are asking questions get all the information about one thing at a time. This helps organize memory. One more thing, if you practice this with different shows you'll be surprised at how quickly your child is ready for your questions. That's a good sign that you've been able to use the TV to help your child remember better. Next week we'll look at another thinking strategy using television.

## Par For The Course

by Fay Bovee

My news for the Women's Auxiliary isn't due until next week and already I have a correction: play starts May 20 instead of May 13, as your schedule from the Country Club read.

The official opening of the club did go off as scheduled on Friday, April 3, with an extremely good crowd attending the Happy Hour from 4 to 7 p.m. The snack table prepared by Sandy and Lynn was very appetizing and delicious, complete with an Easter centerpiece of, you guessed it, jelly beans! On hand to greet everyone were Tom and Sandy Brogger, Lynn Johnson, and Sue Wardell. Lynn and Sue will be back again this summer with their friendly smiles.

Ken Jackson was back this week helping to get the course ready and doing painting, repairing and a general cleanup.

Tom LaMotte is in charge of the men's leagues and may be called, 348-2922 for information. The Tuesday and Wednesday sign up sheets have been posted on the bulletin board at the club.

## Two Names

Cauliflower has another name — "rich man's cabbage." It's sometimes called that because it's harder to grow than regular cabbage.

**HONOR SIBS' DIRECTOR**—The staff at the Youth Services Bureau of Crawford County is shown presenting a plaque to Bob Harrington, former Director of Sibs for Kids, in appreciation for his services to the youth of Crawford County.

Bob had been Director for Sibs for Kids for over a year and worked hard to establish and coordinate the program. Because of recent CETA cutbacks, the director position was terminated March 31.

A resident of Crawford County, Bob is married to Carmel Harrington, proprietor of Pioneer Screen Printing and they have 3 children. Bob is now employed as a Sales Representative for WGRY but is still an active member on the Sibs for Kids Board of Directors.

Through Harrington's efforts, Sibs for Kids recently launched a community fund drive to raise enough money to hire a director and continue its program of providing service to youth in the county from single-parent families.

The Youth Services Bureau is proud of Bob Harrington for his interest in the youth and for his support and services to Sibs for Kids program. Thank you, Bob Harrington. (Joe Schrader photo)

## H&R BLOCK TAX TEST

Question No. 9

Income averaging can save you money. But only if you make more than \$30,000 a year.

☐ True ☐ False

What you don't know about income averaging could cost you money. H&R Block knows that no matter how much you make, if your income went up substantially last year you may be able to income average. We'll take advantage of this if it's to your benefit. The answer is FALSE, since there is no minimum amount of income required to qualify.

Mr. and Mrs. James Wheeler of Maple Forest wish to announce the engagement of their daughter, Kelley Mae, to Mr. Russell Stoddard of Frederic, the son of Mr. and Mrs. Charles Stoddard.

A July 18th wedding date is planned.

## In Appreciation

For those of you who missed the Benefit Basketball game between the Crawford County Sheriff's Association and the Cub Scout Fathers, you really missed a terrific game. In the beginning the Crawford County Sheriff's Association were leading by a wide margin, but guess who came through near the end? We else but our Cub Fathers with the ending score of Sheriff's Association 52 — Cub Scout Fathers 50.

Congratulations to both teams for all your hard work in making this game possible.

The Cub Scout Pack 3993 wishes to express their appreciation to all the merchants for their time and donations for this fun filled evening. They are as follows: Golden Touch, Borchers Canoe Livery, Chief Shoppenagons, Dial-A-Ride, Pro-Mart, Comfort Center, Ruters Grayling Window and Door, Big Boy, Wendy's, Little Caesars, McDonalds of Grayling, and Dairy Queen.

Also Marilyn Hair Boutique, Dan and Maggie's, American Legion, Union 76, R & H Sport Center, Grayling Animal Hospital, Skip's Sport Shop, Glen's Market, Ben Franklin, Rochettes, Black and White Foodland and the Grayling Area Jaycees.

Our scouts who won for selling the most tickets are: Rusty Argue, 1st place; Jeff Cowie, 2nd place and in third was Brian Shephard.

## Strolling Around Town

by Fay Bovee

It seems a little early for this column but due to an unusually warm spring, many residents are already in the clean-up, paint-up, fix-up process. The Bill Mosher building on Cedar Street received a new coat of paint last fall which I missed, so better late than never. Since I do stroll and have done so all winter, my bouquet to one lady of Chestnut Street that keeps her sidewalks swept and special thanks to a couple, whom I do not know, on Michigan Avenue, that had the snow shoveled off their walk practically all winter. One new business to arrive in Grayling is the paint and wallpaper store in the old Francois Building, the last time I looked, Dave Wyman was residing the other old ice house on the railroad tracks. It's encouraging to know that there are many others as interested in the old depot as I am; maybe something will come of it yet!

The Gary Fox home on Michigan has a new concrete drive and the former Ha Bugby home on Ionia looks nice with brown paint and porch trimmed in a soft yellow. Again I do not know the occupants but welcome to the neighborhood.

The beautification committee is already hard at work this spring and are very excited about some of the projects.

Remember clean up, paint up, fix up, and nominate your neighbors for bouquet of the week.

Am I hearing things, or is the whistle fixed, Jerry? What a beautiful sound!

## In Memorium

In loving memory of my son, Norman J. Smock, who passed away one year ago April 6th. His life is a beautiful memory. His absence is a silent grief. He sleeps in God's beautiful garden.

In the sunshine of perfect peace.

He left us a wonderful memory Far too great to be told, But to us who have loved him And lost him, His memory forever we'll hold.

Sadly Missed By His Family

**Riddle-Latuszek Speak Vows**

Tena Riddle and Doug Latuszek were united in marriage on January 24, 1981 at St. Mary's Church in Grayling at two-thirty in the afternoon before 150 guests. Father Bill Rabilor officiated, with Nancy Hoffman providing the music. The bride was given in marriage by her father.

The bride wore a floor length gown and carried a bouquet of red and white roses.

Janet McKinney was the bride's maid of honor, Dawn Hammond, Terri Latuszek and Teresa Graf were bride's maids. They were identically attired in rose floor length gowns and carried white roses.

Ron Latuszek was best man, with Craig Stewart, Joe Riddle and Norm Theaker as groomsmen. Guests were seated by Dave Latuszek and John Dannenberg.

Following the wedding a reception was held at the Bear Lake Township Hall which was decorated with flowers, candles, streamers and wedding bells.

Tena is the daughter of Mr. and Mrs. Norman Riddle. Doug is the son of Mr. and Mrs. Doc Latuszek, all of Grayling.

Out of town guests included, Mr. and Mrs. Emil Wolf, of Johannesburg, and Mrs. Agnes Latuszek of Gaylord, grandparents of the groom and Mr. and Mrs. Bart Taylor of Gaylord, grandparents of the bride. Also Mr. and Mrs. Allen Secord of Big Rapids.

The couple will be making their home in Grayling.

**Saints Tie For First**

Two free throws by Bruce Burkett with 27 seconds left won a hard-fought battle against Alpena 83-81 and clinched a first-place tie in the Lewiston Independent Basketball League for the Grayling House Saints.

The tall, physical Alpena team jumped all over the Saints and built a 16-point lead midway through the first half.

Alpena, who finished second in the league, scored eight unanswered points in one stretch with two dunks by their big center along with two fast break lay-ups. The Saints rallied behind the playmaking of Gerry St. Germain and Jim Tobin and pulled to within 7 by halftime.

Alpena, which lost a close decision to the Saints earlier in the season, started the second half hot and moved their lead to 10 within 12 minutes left in the game.

Then the Saints began pressuring Alpena's ballhandlers at half court and with a full court press. Defensive steals and strong defensive play by Dale Papendick, Mike Kucharek, Burkett, Tobin, and St. Germain enable the Saints to catch Alpena with two minutes left in the game. Craig Hinkle and St. Germain made two key buckets to keep the Saints tied until Burkett's free throws.

The Saints were lead by St. Germain with 31 points and Tobin with 24. It was the eighth consecutive win by the Saints.

On March 28, the Girls Track Team traveled to Ferris State College, and placed fourth out of twenty-six schools. The mile team, which consisted of Jill Headlee, Heidi Bendig, Diane Lee, and Jean Stevens, and the four-lap relay team including Jill Headlee, Shelly Peterson, Lisa Radebaugh and Dawn Weatherly, both took seconds. Lisa Radebaugh took a fourth in the hurdles and a fourth in the long jump. Diane Lee took a fifth in the hurdles. The team's next meet will be on April 10 at Michigan State University. Good luck to the girls, Coach Cheney, and managers, Angie Stephan and Kris McClelland.

Each Spring, Olivet College offers to juniors a program called Operation Bentley. Usually one or two students, who are interested in government and have shown scholastic ability in that area, are invited to attend. This year Bonnie Keusch and Jane Stamm are invited to attend. The program will be held May 20 through May 31. There will be approximately one hundred students total, who will participate in mock campaigns, conventions, and elections, and will visit the state capitol.

Motion by Golinick, supported by Failing that the following Resolution be adopted.

**ACCEPTING RESPONSIBILITY UNDER THE CLEAN WATER PLAN FOR NORTHEAST MICHIGAN**  
WHEREAS, The Clean Water Act of 1972 and 1977 mandated that Clean Water Plans be developed on the local level for protection of Water Quality; and,

WHEREAS, The Clean Water Plan for Northeast Michigan has been developed and endorsed by all eight counties it covers and has been certified by the Governor of Michigan and the United States Environmental Protection Agency; and,

WHEREAS, The Clean Water Plan for the Northeast Michigan outlines management responsibilities for the control of all sources of water pollution within the Region; and,

WHEREAS, Implementation of Northeast Michigan's Clean Water Plan will ensure maintenance of existing high quality of water in this Region; and,

WHEREAS, The Clean Water Plan for Northeast Michigan names the City of Grayling as the Lead Designated Management Agency responsible for the management of municipal wastewater treatment in Grayling; and,

WHEREAS, The City is further given secondary management responsibilities for the control of water pollution from stormwater runoff;

NOW THEREFORE BE IT RESOLVED, That the City of Grayling hereby accepts full responsibility as the Lead Designated Management Agency (DMA) as described in the '208' Clean Water Plan for Northeast Michigan for the management of all municipal wastewater treatment systems servicing the City; and,

BE IT FURTHER RESOLVED, That the City, to the best of its ability, will implement the management recommendations set forth in the Clean Water Plan.

Ayes: 5, Nays: 0, Abstain: 0, motion carried.

## Doodles from The Tall Timber

Wendell L. Hoover  
Park Interpreter

The first robin showed up today as another reminder that spring is here and that winter activities are or should be over. We at the Hartwick Pines State Park are very much aware of a fast-approaching summer season and the limited amount of time left before the scheduled opening of facilities.

We have been preparing for this summer since early last fall. Granted, there are some things we will not have time to do before all those visitors arrive, but many items were taken care of.

For example, we refinished 45 picnic tables, removed and refinished the pews in the Chapel, made new directional signs for the cross-country ski trails, assisted nearly 10,000 cross-country skiers, plowed snow, registered campers, improved the lighting in several displays in the Interpretive Center, constructed a small structure at the Logging Camp to house two C.C.C. displays, remodeled a toilet building, laid out a route for a three-mile foot trail, and removed a partition in the shop so next winter we will have more room to work on a pair of Big Wheels or a sprinkler sled or a wagon and still be able to refinish tables and...

## Editor's Mailbox

April 2, 1981

Dear Editor:  
I was very concerned when I read the recent letter to the editor by Mr. Medler (March 12th) describing the poor results by the Crawford-AuSable School District students on the 1980-81 Michigan Education Assessment Test.

In my inquiry into the facts I received a copy of the test results and studied them carefully. Having done graduate work at Central Michigan University in standardized testing I came to an objective and accurate finding that the Crawford-AuSable School District had met the state average, for all practical purposes. The deviation from the average was statistically insignificant. (In the two areas; reading was approximately 5% above the average, whereas the math was about 5% below the average). The only trend that I noted was the improvement from 1979-80 scores to the 1980-81 scores.

Therefore my conclusion is that Mr. Medler did not have the proper test results or misinterpreted what information he had. To malign the school system with misinformation is regrettable. Hopefully more interested parents will review these test results and find as I have, that the school system should be commended for their achievements in meeting the state average and for improving on last years results.

Sincerely,  
Joseph M. Meredith

## Road Commission Minutes

March 13, 1981

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. Chairman Cason presiding. Present were: Chairman Grover Cason, Commissioners Gloria Kraus and Norman F. Parker, Engineer-Manager John Keir and Secretary Lorna Bernard. Absent: None.

The minutes of the last regular meeting were read. Commissioner Parker made a motion to accept the minutes as read, seconded by Commissioner Kraus. All voted in favor, minutes approved.

Voucher Number 6 for Payroll in the amount of \$21,036.98 and Vouchers Number 137 thru 193 in the amount of \$27,346.38 were presented to the Board for payment. Commissioner Kraus made a motion to accept the vouchers, seconded by Commissioner Parker. All voted in favor, vouchers approved.

Bob Carpenter from Robertson & Carpenter Auditing Firm appeared before the Board with the 1980 Financial Report for the Road Commission.

Commissioner Kraus made a motion to request a 15% Emergency Transfer of monies from the Motor Vehicle Highway Primary funds to Local funds. Seconded by Commissioner Parker. All voted in favor, motion carried.

After the Audit Report, Chairman Cason made a motion to accept the amended 1980 Budget, seconded by Commissioner Kraus. All voted in favor, Budget approved.

A letter was received from the County of Emmet for a special permit to travel with an overload on County Road 612 and Sherman Road to get to the Landfill. The Board requested the Engineer-Manager Keir further investigate the situation and coordinate with the Otsego County Road Commission.

A request was received from AJD Forest Products for a seasonal permit to travel on Four Mile Road with over-weight loads. The Board requested that Engineer-Manager Keir follow the stipulations of the permit for 1980.

Bernie Fowler, Grayling Township Supervisor appeared before the Board regarding the Construction Program for 1981 and other proposed projects. Engineer-Manager Keir was instructed to review the programs with Mr. Fowler.

Engineer-Manager Keir discussed the salt needs for the 1981-82 season, and after discussion, was instructed to purchase the salt through the Purchasing Division of the State of Michigan.

A permit application was received from General Telephone Company to bore under Old 27 approximately 2700' north of Cameron Bridge Road. The permit was granted.

A Certificate of Appreciation was received from Troop No. 997, Boy Scouts of America for cooperation received in the past regarding the storage of waste paper.

A discussion was held on major equipment repairs and diesel engine maintenance. Further information to be obtained and presented to the Board.

Commissioner Kraus and Engineer-Manager Keir reported on a Seminar attended March 12, 1981 in West Branch about self-insurance pertaining to Workman's Compensation.

There being no further business, a motion was made by Commissioner Parker and seconded by Commissioner Kraus to adjourn. All voted in favor, meeting adjourned.

## Attend the Church of Your Choice

# one friday

When we become mired in the routine of life, one day is like any other. This was just another working-day for most of the people in Jerusalem.

Three men died on Calvary Hill. One of them was the Galilean! Business as usual in Jerusalem. Unless we understand the whole significance of what is happening we pay little attention...

Do you understand what happened that Friday? Do you realize WHO hung on that central Cross? Do you know WHY He died? And FOR WHOM?

There is nothing more necessary in our lives than the deep, personal knowledge of what happened that Friday... and the Sunday following.

Come to Church!

### Michigan Aglow Convention

The First Annual Michigan Aglow Convention will be held in Grayling this weekend, April 10th, 11th and 12th, 1981 at the Holiday Inn. Women's Aglow is an International, Interdenominational fellowship of women who exalt Jesus, as Lord through the power of the Holy Spirit.

We welcome all women of Grayling to join the North and South Michigan Area Boards gathering unto Him for rest, renewal, healing, teaching, inspiration and fellowship.

Speakers for the program include Jane Hanson, Aglow International President and Dorothy Buchanan, former Regional Director. Registration is at 10:00 a.m. Friday at the Holiday Inn. You are invited to attend any or all of the meetings.

Those interested can obtain program schedules at the Dan & Maggie's Arrow Station. Come and be Blessed!

### Our Rocker

The rocking chair belongs to the nineteenth century and the United States. Several unique types came from New England, such as the Salem and Boston rockers.
